However, in November, 2019, NiNAS was re-incorporated with expanded mandate as a company limited by

guarantee. NiNAS is governed by a Board of Directors and was designated as the sole national accreditation body (NAB) of Nigeria with the mandate to assess the competence of conformity assessment bodies (CABs) both in Nigeria, the West African sub-region and beyond.

This document and the accompanying Annex (collectively known as the “Rules”) contain the Terms and Conditions on the use of NiNAS Logo and Accreditation Symbols) or any reference to NiNAS accreditation by an accredited conformity assessment body (CAB). It should be read in conjunction with the contractual agreement between NiNAS and its accredited CABs on the use of NiNAS accreditation symbol (see Appendix A).
